*Our public courses include lunch and refreshments during the working day.*

*AV Technology Ltd reserves the right to change venues and dates according to demand*

\* *AVT is a BINDT ATO (Approved Training Organisation). AVT issue 2nd party evidence of training on successful course completion. BINDT's 3rd party certification exams can be sat later at additional cost, with the evidence of training & appropriate experience. Download the BINDT VA syllabus at - <http://www.bindt.org/downloads/CMGEND.pdf>*

\*\* *For direct entry VA2, the cost per delegate is £1,865 which includes both VA1 and VA2 manuals (See Note below) We require all VA2 candidates to be familiar with our VA1 training, and VA2 delegates will therefore need to be familiar with our VA1 manual. To attend VA Category 2, delegates must have completed an approved VA Category 1 course*

*Delegates with appropriate training and experience may feel they can attend a VA2 without having attended our VA1.*

*Our VA2 course is not a stand-alone course, but is designed to be a follow-on to the VA1, and requires knowledge of our VA1 modules*

*AVT recommends that even experienced delegates attend our VA1 prior to attending our VA2, but we will accept delegates direct onto VA2.*

\*\*\* *The BINDT VA Vibration Monitoring Handbook is £90 plus postage & packing*

*If ordered with a VA1 or VA2 training course, it is £80 and is then provided on attendance in addition to the course handbooks*
